

**PRELIMINARY EVENTS PROGRAM,**  
**dedicated to the International Day of DNA.**  
**April 21-22, 2016.**

**21 April 2016**

**International Conference**

**"Modern biotechnology for science and practice"**

13-00	<b>Registration</b>
13-30	<b>Welcome</b>
14-00	<b>Somatic mutation theory (Boveri-Tyzzler) – 100 years later.</b> M. Zarayskiy (Saint-Petersburg, Russia).
14-30	<b>MassARRAY in clinical research and routine applications.</b> S. Schreder (Hamburg, Germany)
15-00	<b>The search for new genes of hereditary cancer</b> E. Imyanitov (Saint-Petersburg, Russia) (Videoconference)
15-30	<b>Epigenetic DNA regulation.</b> S. Aronov (Ariel, Israel) (Videoconference)
16-00	<b>Labquality in DNA investigations.</b> H. Laitinen (Oulu, Finland) (Videoconference)
16-30	<b><i>Discussed</i></b> I. Konieczny (Gdansk, Poland) (Videoconference)
17-00	<b>Discussion</b>

**22 April 2016**

**Student Scientific Conference**

**"Modern biotechnology for science and practice"**

10-00	<b>Registration for the semi-finals of the grant "UMNIK" system</b>
11-00 15-00	<b>Reports program. Discussion.</b>
15-30 17-00	<b>Student scientific conference of clinical laboratory diagnostics with a course of molecular medicine.</b>
