

Примерный перечень Интернет-ресурсов по темам занятий (статьи и публикации в онлайн-версиях медицинских журналов):

Кардиология. Cardiology

1. E-medicine. Atrial Fibrillation

Last Updated: August 22, 2006 Author: Jeffrey Lazar, MD, MPH, Chief Resident, Section of Emergency Medicine, Yale New Haven Hospital Coauthor(s): Alan D Clark, MD, Director, St Johns.com/Healthy People Magazine, Former Department Chairman, St. John's Emergency Trauma Center, St John's Regional Health Center, Springfield, Missouri

2. E-medicine. Atrial Flutter

Last Updated: October 11, 2006

Author: Jeffrey Lazar, MD, MPH, Chief Resident, Section of Emergency Medicine, Yale New Haven Hospital . Coauthor(s): Alan D Clark, MD, Director, St Johns.com/Healthy People Magazine, Former Department Chairman, St. John's Emergency Trauma Center, St John's Regional Health Center, Springfield, Missouri; Vivek Parwani, MD, Assistant Professor, Section of Emergency Medicine, Department of Surgery, Yale University School of Medicine; Consulting Staff, Yale University Medical Center

3. ACC/AHA/ESC guidelines for the management of patients with supraventricular arrhythmias. A report of the American College of Cardiology/American Heart Association Task Force and the European Society of Cardiology Committee for Practice Guidelines (Writing Committee to Develop Guidelines for the Management of Patients with Supraventricular Arrhythmias). Guidelines represented on the NGC Web site are submitted by guideline developers, and are screened solely to determine that they meet the NGC Inclusion Criteria which may be found at <http://www.guideline.gov/about/inclusion.aspx>. 1998-2006 National Guideline Clearinghouse Date Modified: 11/20/2006

4. ACC-AHA-ESC Guidelines for the Management of Patients With Atrial Fibrillation. Circulation

•

• *5. ACC/AHA Guidelines for the Management of Patients With Unstable Angina and Non–ST-Segment Elevation Myocardial Infarction: Executive Summary and Recommendations*

• *A Report of the American College of Cardiology/American Heart Association Task Force on Practice Guidelines (Committee on the Management of Patients With Unstable Angina) Circulation. 2000;102:1193. American Heart Association, Inc. ACC/AHA Practice Guidelines.*

6. E-medicine. Paroxysmal Supraventricular Tachycardia

Last Updated: July 14, 2006. Author: Monika Gugneja, MD, Consulting Staff, Department of Emergency Medicine, William Beaumont Hospital . Coauthor(s): James V Talano, MD, MM, FACC, Director of Cardiovascular Medicine, SWICFT Institute; Leonard Ganz, MD, Associate Professor of Medicine, Temple University School of Medicine; Cardiac Electrophysiologist, Children's Hospital of Pittsburgh, University of Pittsburgh Medical Cent, West Penn Hospital

•

• *7. AHA Scientific Statement. Infective Endocarditis Diagnosis, Antimicrobial Therapy, and Management of Complications: A Statement for Healthcare Professionals From the Committee on Rheumatic Fever, Endocarditis, and Kawasaki Disease, Council on Cardiovascular Disease in the Young, and the Councils on Clinical Cardiology, Stroke, and Cardiovascular Surgery and Anesthesia, American Heart Association: Endorsed by the Infectious Diseases Society of America. Larry M. Baddour, MD, Chair; Walter R. Wilson, MD. Circulation. 2005;111:e394-e434. © 2005 American Heart Association, Inc.*

8. E-medicine. Abdominal Angina Last Updated: June 15, 2005 Author: Carol EH Scott-Conner, MD, PhD, Head, Professor, Department of Surgery, University of Iowa College of Medicine Coauthor(s): Beth Ballinger, MD, Assistant Professor, Department of Surgery, Section of Vascular Surgery, University of Iowa College of Medicine

9. AHA Scientific Statement Contemporary Definitions and Classification of the Cardiomyopathies

- An American Heart Association Scientific Statement From the Council on Clinical Cardiology, Heart Failure and Transplantation Committee; Quality of Care and Outcomes Research and Functional Genomics and Translational Biology Interdisciplinary Working Groups; and Council on Epidemiology and Prevention

Barry J. Maron, MD, Chair; Jeffrey A. Towbin, MD, FAHA; Gaetano Thiene, MD; Charles Antzelevitch, PhD, FAHA;

8. Guidelines for Clinical Care of Peptic Ulcer Disease. Peptic Ulcer Guideline Team A. Mark Fendrick, M.D. General Internal Medicine Randall T. Forsch, M.D. University of Michigan Health System Family Medicine R. Van Harrison, Ph.D. Medical Education James M. Scheiman, M.D. Gastroenterology Updated May 2005

9. E-medicine. Amebiasis Last Updated: February 22, 2002

Author: Robert Swords, MD, Fellow, Department of Medicine, Division of Infectious Diseases, [Medical University of South Carolina](#)

Coauthor(s): J Robert Cantey, MD, Chief of Infectious Disease, Veterans Affairs Medical Center, Director, Professor, Department of Medicine, Division of Infectious Diseases, [Medical University of South Carolina](#)

10. E-medicine. Carcinoid Tumor, Intestinal Last Updated: April 13, 2004 Author: Hemant Singhal, MD, MBBS, FRCSE, FRCS, FRCSC, Senior Lecturer, Department of Surgery, [Imperial College School of Medicine, London, England](#) Coauthor(s): Alan A Saber, MD, Chief, Minimally Invasive Surgery and Bariatric Surgery, Assistant Professor, Department of Surgery,

Michigan State University; Charles Zammit, MD, Senior Specialist Registrar, Department of Surgery, Breast Unit Charing Cross Hospital of London, England; Michael K McLeod, MD, Program Director, Associate Professor, Department of General Surgery, Michigan State University, Kalamazoo Center for Medical Studies

11. E-medicine. Celiac Sprue. Last Updated: June 7, 2005

Author: Vincent W Yang, MD, PhD, R Bruce Logue Professor, Director, Division of Digestive Diseases, Department of Medicine, Professor of Hematology and Oncology, Winship Cancer Institute, Emory University School of Medicine

12. E-medicine. Colon Cancer, Adenocarcinoma

Last Updated: April 25, 2005

Author: Wafik S El-Deiry, MD, PhD, Associate Professor, Departments of Medicine, Genetics and Pharmacology, University of Pennsylvania School of Medicine

13. E-medicine. Crohn Disease. Last Updated: October 4, 2005

Author: Senthil Nachimuthu, MD, Assistant Professor, Department of Internal Medicine, Tulane University Health Science Center

Coauthor(s): Paul Piccione, MD, Consulting Staff, Department of Internal Medicine, Division of Gastroenterology, Lutheran Medical Center; Latha Gopal, MD, Medical Director, Department of Internal Medicine, Gueydon Memorial Hospital; Priyanka Balasundaram, MBBS, Christian Medical College, Vellore, India

14. E-medicine. Ulcerative Colitis Last Updated: October 4, 2005

Author: M Bashir Al-Ataie, MD, Consulting Staff, Department of Internal Medicine, Holzer Clinic and Holzer Medical Center

Coauthor(s): Vishwanath N Shenoy, MD, Consulting Staff, Department of Gastroenterology, Holzer Clinic and Holzer Medical Center

15. E-medicine. Whipple Disease. Last Updated: March 1, 2006 Author: Ingram Roberts, MD, Vice Chairman, Department of Medicine, St Vincent's Medical Center

16. E-medicine. Diverticulitis Last Updated: December 23, 2004

Author: Ahmed Sherif, MD, Staff Physician, Department of Internal Medicine, Montefiore Medical Center

Coauthor(s): Norvin Perez, MD, Clinical Assistant Professor of Emergency Medicine, Albert Einstein College of Medicine; Consulting Staff, Department of Emergency Medicine, Montefiore Medical Center; David Greenwald, MD, Fellowship Program Director, Associate Professor, Department of Medicine, Division of Gastroenterology, Montefiore Medical Center, Albert Einstein College of Medicine

17. E-medicine. Malabsorption Last Updated: February 28, 2006

Author: Vincent W Yang, MD, PhD, R Bruce Logue Professor, Director, Division of Digestive Diseases, Department of Medicine, Professor of Hematology and Oncology, Winship Cancer Institute, Emory University School of Medicine

Coauthor(s): Jan-Michael Klapproth, MD, Assistant Professor, Department of Medicine, Division of Digestive Diseases, Emory University School of Medicine

18. E-medicine. Rectal Cancer Last Updated: July 6, 2005

Author: Elizabeth Cirincione, MD, Director of Colon and Rectal Surgery, Department of Surgery, Nassau University Medical Center

Coauthor(s): Burt Cagir, MD, Associate in General Surgery, Department of Surgery, Robert Packer Hospital

19. E-medicine. Sprue, Tropical. Last Updated: April 7, 2004 Author: [Oluyinka S Adediji, MD](#), Consulting Staff, Department of Adult and General Medicine, Health Services Incorporated, Montgomery, Alabama

Coauthor(s): [Lisa Ozick, MD](#), Chief, Assistant Professor, Department of Internal Medicine, Division of Gastroenterology, Harlem Hospital Center, Columbia University College of Physicians and Surgeons

20. E-medicine. Glucagonoma. Last Updated: July 11, 2005

Author: [Luigi Santacroce, MD](#), Assistant Professor, Department of Dentistry and Surgery, Section of General Surgery, Medical and Dentistry School, State University at Bari, Italy

Coauthor(s): [Silvia Gagliardi, MD](#), Consulting Staff, Department of Surgery, Medical Center Vita, Italy; [Mini R Abraham, MD](#), Consulting Staff, Midwestern Endocrinology, PA

21. E-medicine. Hepatic Carcinoma, Primary Last Updated: July 20, 2004

Author: [Keith E Stuart, MD](#), Director of Hepatobiliary and Gastrointestinal Oncology, Beth Israel Deaconess Medical Center; Assistant Professor, Department of Internal Medicine, Division of Hematology/Oncology, Harvard Medical School

22. Hepatoblastoma. Last Updated: April 24, 2006

Author: [Jennifer R Willert, MD](#), Assistant Clinical Professor of Pediatrics, University of California at San Diego; Consulting Staff, Department of Pediatrics, Division of Hematology-Oncology/BMT, [San Diego Children's Hospital](#)

Coauthor(s): [Gary Dahl, MD](#), Professor, Department of Pediatrics, Division of Hematology/Oncology, [Stanford University](#)

23. Primary Sclerosing Cholangitis Last Updated: June 26, 2006

Author: [Lynette Gillis, MD](#), Assistant Professor, Division of Pediatric Gastroenterology, Hepatology & Nutrition, [Vanderbilt University](#)

Coauthor(s): [Robert Baldassano, MD](#), Director, Center for Pediatric Inflammatory Bowel Disease, Associate Professor, Department of Pediatrics, Division of Gastroenterology and Nutrition, [The Children's Hospital of Philadelphia, University of Pennsylvania](#); [Julia Anderson, MD](#), Pediatric Gastroenterology Fellow, Pediatric G

24. Cholangiocarcinoma Last Updated: October 10, 2006

Author: [Peter E Darwin, MD](#), Associate Professor, Director of GI Endoscopy, Department of Medicine, Division of Gastroenterology, University of Maryland School of Medicine

Coauthor(s): [Andrew Kennedy, MD](#), Medical Director, Radiation Oncology, [Wake Radiology Oncology](#); [Jennifer Lynn Bonheur, MD](#), Fellow, Department of Internal Medicine, Division of Gastroenterology, Lenox Hill Hospital; [David Van Echo, MD](#), Head, New Drug Development Program (Oncology), Professor, Departments of Medicine and Pharmacy, University of Maryland

25. Autoimmune Chronic Active Hepatitis. Last Updated: May 31, 2006

Author: [Husam H Sukerek, MD](#), Consulting Staff, Department of Gastroenterology, Sabine Medical Center

Coauthor(s): [Mohammad F El-Baba, MD](#), Assistant Professor, Department of Pediatrics, [Children's Hospital of Michigan and Wayne State University](#)

26. Hepatic Failure. Last Updated: September 3, 2004

Author: [Blake A Jones, MD](#), New Hampshire Gastroenterology
